Beautification Project – Spring 2016 “Tree and Shrub Planting”

As we contemplate the nature of Allah Subhanahu-wa-Taala, we use the most beautiful names to express His attributes. Allah Subhanahu-wa-Taala is inspiring, His names are most beautiful and His creation (this world) is magnificent. The trees, the vegetation and the flowers are the delight for our eyes, Alhamdulillah.

The PGIC and the Muslim Students Foundation (MSF) have joined hands to design a project to help beautify the area surrounding the Masjid. There are plans to plant 200 Emerald Cedar shrubs and 32 Spring Snow Crab Apple flowering trees on the property.

The shrubs will be planted on the 5th Avenue property line (in front of the Masjid) and on the Foothills behind the Masjid. The cedar hedge will be maintained at 4 feet high. The trees will be planted 10ft inside the property line and they will be 15ft apart.

- Shrubs - \$25.00 each 6x25.00=\$150.00 **\$5,000.00**
